### Introducing a NEW Monthly Life Skills Workshop Series for Adults.

Ideal for English Language Learners, especially those learning English as a New language.

#### Key Topics Covered

Echoing Questions - Everyday Conversation  
Asking for Help - Polite Requests

#### Event Description

You will learn helpful phrases, understand key vocabulary, practice dialogue examples, and share in open conversations with other people attending the event. You will learn about echoing questions, everyday needs using conversation with others, asking for help, and how to express polite requests.

This is a great way to practice your English conversation skills and ask questions to support your everyday dialog with new people.

#### Attendance Requirements

Limited to 20 in-person participants, Zoom unlimited.  
Students will be emailed link prior to workshop.
