**Wed., Oct. 18** ● **5:30pm-7:00pm**

Literacy Rochester, 1600 South Avenue, Rochester, NY 14620  
- Student Learning Center - Zoom Participation also offered -

### Monthly Life Skills Workshop for Adults. Register Now!

#### Key Topics Covered

Medical Translation Resources - Medical Language  
Medical Insurance - Review My Chart

#### Special Guest

Jaimi McLean, MLIS Liaison Librarian from the  
University of Rochester Medical Center (URMC).

#### Event Description

Miss McLean will help answer participant's questions about medical language and translation services. She will also discuss health insurance, review My Chart, and much more. " Participants will also practice using these resources during the workshop and leave with tools to support individuals with their medical questions. Ideal for English Language Learners, especially those learning English as a New language.

#### Have Questions?

Participants can email their questions to Audra Surman and they will be discussed during the workshop.

#### Attendance Requirements

Limited to 15 in-person participants, Zoom unlimited.  
Students will be emailed link prior to workshop.
